

Name: _____

Date: _____ Period: _____

Faves & Flaws

Driving Question: How can we communicate instructions so that our peers may use technology tools to present information?

Directions: Read the instructions at each station. Record your “faves” (good/helpful things about the instructions) and “flaws” (things that should be improved) for each set of instructions.

Faves & Flaws

Reflection

Read:

How can we communicate instructions so that our peers may use technology tools to present information?

Think:

Think about the instructions from the rotation and what your faves and flaws were for each.

Write:

What were the most helpful items in the instructions? What would have made them easier to follow? Explain in 3-5 sentences.

[illegible]
